U.S. Patent and Trademark Office
Randolph Building

Alexandria, VA 22314

Sir:

This paper timely responds to the Office Communication mailed June 12, 2008 asserting that the response Applicants filed on March 5, 2008 to the non-final Office Action mailed October 5, 2007 was not signed properly. This response is identical to the response filed March 5, 2008 except for the signature page and the replacement of the words "anticipated by" with the words "unpatentable over" in the first paragraph on page 2.

Remarks begin on page 2 of this paper.
